

Swan Bank Methodist Church
transcripts of church registers
by P. Galloway

explanatory notes

taken from www.wolverhamptonarchives.dial.pipex.com/methodists.htm

Methodism arose in the 1730s from the influence of the preachers George Whitefield and John and Charles Wesley. In 1744 circuits for Wesleyan preachers were established and the first national conference was held. The break between the Wesleyan Methodists and the Church of England came in 1784 by John Wesley's act of ordaining a minister.

The Methodists themselves began to split into several groups:

- Methodist New Connexion formed in 1797
- Quaker Methodists formed in 1806
- Primitive Methodists (based on open-air meetings) broke away in 1812
- Bible Christians, or Bryanites, broke away in 1815
- Wesleyan Methodist Reformers established in 1849
- Independent Methodists officially formed in 1898

Some of the different factions united to become the United Methodist Free Churches in 1857 and others became the Wesleyan Reform Union. The New Connexion and Bible Christians joined with the United Free Churches in 1907 to form the **United Methodist Church**. Finally, in 1932 Primitive Methodists, the Wesleyans, and the United Methodist Church merged to form the **Methodist Church**.
